What did they say???

If you're having difficulty hearing parts of the service, we now have hearing aid loops that can be used to tie our sound system directly to your hearing aids. To take advantage of the system, your hearing aids must have T-coils and must be enabled by your audiologist. Contact your audiologist to inquire as to the status of your hearing devices. See an usher to borrow a loop for use during the service.

Welcome!

A very special welcome this morning to visitors and guests and a welcome back to those who haven't been here for a while.
We would love to know you are here!

This is also a way to subscribe to the e-newsletter, request a name tag, and ask questions in the comment section. Go ahead, give it a try!

NCH#561 When in Our Music God Is Glorified

Prayer of Awareness

For the gift of sound and the gift of music,
we thank you O God.
You are the silence from which sound emerged.
The breath that supports our singing,
The song that knows no end.
May our ears be attuned to your voice;
our eyes to your presence,
our very being to the anthem of praise.
May Your glory fill this space,
and all the places where we gather;
And may your Spirit raise up new life among us.
Amen and may it be.
