**10:15 am**

*This is the “Gathering” section of worship. When we begin a creative project, we gather the supplies in order to begin our playful work of creating. We are the supplies that God needs to continue the creative work of building God’s realm. In this part of worship we celebrate and affirm our partnership with God and each other in this creative project called “life.”*

**You are welcome here!**

## Let There Be...

*This is the “Proclaiming the Word” section of worship. God spoke “let there be...” and creation began. In this part of worship we open to hear the wisdom that the Spirit will use to move our hearts this day. So just “let there be...” an openness and willingness to encounter something unexpected.*

**Many: And commit to create**

*This is the "Response" section of worship. Once we have heard the call to creativity, we just have to do it... just jump in to get our "hands dirty" in the work of play and creative problem-solving. We pray and offer what we can to bring more life and joy this day and everyday*

**Amen.**
